HUNTSMAN WORLD SENIOR GAMES GLOBAL CUP WORLD SENIOR VOLLEYBALL CHAMPIONSHIPS

ST. GEORGE, UTAH - The Huntsman World Senior Games is pleased to welcome the twelfth Annual Global Cup - World Senior Volleyball Championship, a special event of the Huntsman World Senior Games. The teams hail from around the world and come representing their home country in St. George, Utah. The event is billed as a true world championship for elite Volleyball players ages 50 and over. Participation in the Global Cup is by invitation only and is limited to one team per country.

The Global Cup grew out of the Continental Cup, a popular contest between the best senior teams from Canada and the United States. In 2006, the Huntsman World Senior Games took over the administration of the event and expanded the scope, inviting teams from every country to compete. And that scope has continued to expand. In 2015, new locations and age groups were added. Now Loutraki City, Greece, hosts men's and women's 45+ and 60+ teams. Sao Paulo, Brazil, hosts men's and women's 40+ and 55+ teams. The original location, St. George, Utah continues to host 50+ teams alternating between men and women. This year the women will take the court.

"The level of play is

fantastic," says Kyle M Case, Games CEO. "These are the best players in the world in their age division and they deliver a great show when they play."

The last time the women competed, in 2015, the German team came away victorious.

Play will begin on Monday, October 16 and will culminate in the medal matches being played on Thursday, October 19.

"We take good care of the teams that participate in the Global Cup each year," said Mindy Case, Global Cup Director. "In addition to world-

class competition, we provide local transportation, banquets and tours. The teams have a once-in-a-lifetime experience."

The Huntsman World Senior Games is the largest annual multi-sport event in the world for athletes 50 and over. Every October more than 11,000 athletes from around the globe converge on St. George, Utah, to compete and enjoy camaraderie and a world-class, Olympic-style experience.

The Global Cup is a special event of the Huntsman World Senior Games. The Games were founded in 1987 when St. George, Utah, USA, welcomed a few hundred athletes competing in a handful of sports. From those humble beginnings, the Games have grown into the world's largest annual multi-sport event for men and women ages 50 and better. The Games take place each October and are open to athletes of all skill levels.

Every year the Games welcome over 11,000 athletes to St. George, Utah, USA. Since 1987, the Games have hosted 77 different countries at the event.

The Games offers 30 different sports. From archery to volleyball, individual events to team sports, there is something for everyone.

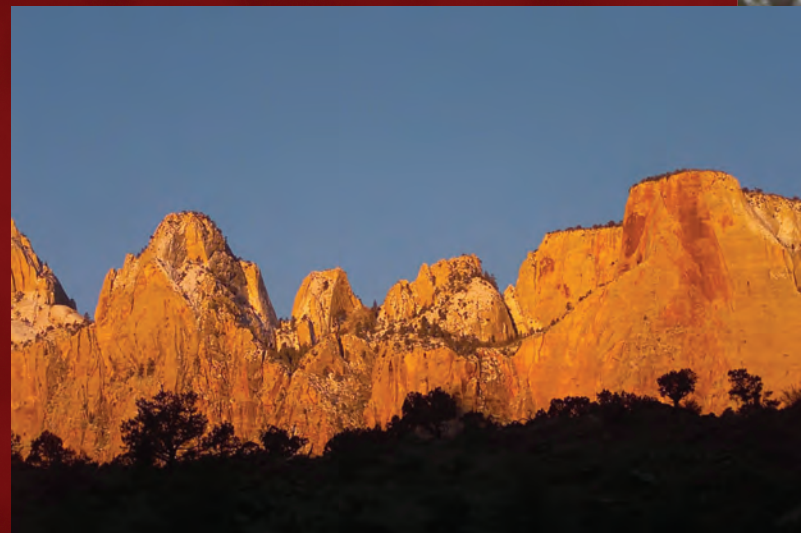

Part of the success of the Games is attributed to the philosophy founded in the early years of providing much more than just a sporting event.

The Games is a total experience. Each sport hosts an athlete social where the participants have an opportunity to have a great meal and create new friendships and renew old ones off the field of competition. Other social events provide additional opportunities for the athletes to socialize and enjoy themselves.

Following the tradition of the Olympics, the Huntsman World Senior Games features an incredible Opening Ceremonies featuring a Parade of Athletes, a Cauldron Lighting and singing and dancing along with fireworks.

Participants from the Global Cup are encouraged to participate in the Games in the "off" year and invite friends and family to participate in the variety of sports as well.

For additional information on the Games or any of its events, visit the website at www.seniorgames.net or call the Games office at 800-562-1268.
